The New Family Constellation
&
Training To Learn Family Constellation
28 April ~ 2 May, 2012 HONG KONG

Workshop Introduction

Family Constellation of Systemic Constellation along with its founder Bert Hellinger was first introduced to the Asia and subsequently to Hong Kong in 2002. After the debut, Systemic Constellation has profoundly affected the field of Psychotherapy, Counselling as well as Family Therapy, and remains to do so. Countless people from around the world, regardless of background and experience, have witnessed the effect of Systemic Constellation. Many are inspired by this controversial yet revolutionary technique and the philosophy behind it. Those who personally attend Bert's workshop, would inevitably be touched by his unique way of demonstration and his deep understanding on human life and soul. For the past few years, with his extraordinary observation, Bert continues tirelessly to deepen his understanding of the world, the relationship between all the systems within, and love. Through writing books and conducting workshops, Bert shares his knowledge and wisdom with the world.

Bert is a master in his own right. He demonstrates a profound depth of kindness, inclusiveness and a down-to-earth mannerism in his work. We invite you to participate with an open mind and experience first-hand the charisma and sharing of this wise man. It would undoubtedly be an extremely inspiring opportunity.

Bert Hellinger is regarded as one of the world's great psychotherapist. He also is an educator and a philosopher. Along with his wife Sophie Hellinger and her techniques, his workshop has now evolved into a new area. Mr. and Mrs. Hellinger regularly hold workshops in Germany as well as other European countries. They are frequently invited to conduct workshops worldwide and to share their knowledge. Unfortunately, due to consideration of the age and health of Bert, the opportunity of him conducting an overseas workshop is vastly limited. Hence, to be able to attend his workshop outside Germany or Europe is indeed a rare opportunity.

After the previous workshop held in Hong Kong last year, Mr. and Mrs. Hellinger are returning this year, to share their knowledge and new development with participants. The two titles of the workshops are: **New Family Constellation** and **Training To Learn Family Constellation**. The dates of these workshops are **28 – 30 April, 2012** and **1 – 2 May, 2012** respectively.
